MAHARAJA INSTITUTE OF TECHNOLOGY MYSORE

(An Autonomous Institution affiliated to VTU Belagavi,
approved by AICTE New Delhi, recognized by Government of Karnataka)

Department of Electronics and Communication Engineering (ECE)

National Conference on Recent Trends in Electronics and Communication Engineering (RTECE)

About Maharaja Institute of Technology Mysore

Maharaja Institute of Technology Mysore was established in the year 2007 by MET(R) in a serene location surrounded by sprawling landscape a bit offset from the urbane disruption. Institute is initiated and built by a group of reputable people recognized for their eminence in the field of Science and Technology. Institute was born as a casting of its founders' eminence and rich experience poured into the mould of their values and aspirations. The Institute made its beginning with an intake of 300 seats encompassing five engineering disciplines. As a toddler in technical education, the institute shown a brisk growth to its potential leaving foot marks at numerous miles stones soon just in a decade. Institute owns a stature known for serving the society with quality education and is well accepted by all the stakeholders. To the date, the institute is nurturing an intake of 3000 plus offering, various programs at undergraduate, postgraduate and research level. The alumnus of this institute have been extensively acknowledged by the society and industry alike.

About the Department of ECE

The Department of Electronics and Communication Engineering (ECE) at Maharaja Institute of Technology Mysore was established in 2007 with an intake of 60, which increased to 120 in 2009. Headed by Dr. R. V. Parimala, the department has well-qualified and experienced faculty, conducts FDPs and workshops regularly, and has specialized, state-of-the-art laboratories that support research, practical and VTU standards. The department also promotes holistic student development through its clubs, eMITers and Yanthronics, which organize mini projects, technical and co-curricular activities, trekking, sports, and other student-centered programs for overall growth.

About the Conference

The National Conference on Recent Trends in Electronics and Communication Engineering (RTECE) aims to provide students to share recent advancements, innovative ideas and emerging technologies in the field of Electronics and Communication Engineering The conference will focus on contemporary developments in areas such as VLSI and semiconductor technologies, embedded systems, IoT, artificial intelligence and machine learning, 5G/ 6G communication, wireless and optical communication, signal and image processing, wireless and smart systems, robotics, biomedical electronics, FPGA and digital systems.

CHIEF-PATRONS

Dr. Naresh Kumar B G
President, MET Mysuru

Dr. G Hemantha Kumar
Former VC , UOM
Vice President, MET Mysuru

Dr. Y T Krishne Gowda
Secretary, MET Mysuru
Principal MITT

Dr. H K Chethan
Joint Secretary,MET Mysuru

Dr. D S GURU
Treasurer, MET Mysuru

Dr. T Vasudev
Trustee, MET Mysuru

Dr. Ananth R Koppar
Trustee, MET Mysuru

PATRON

Dr. Murali S
Founder President MET Mysuru
Principal, MIT Mysore

CONVENER

Dr. R V Parimala
Professor and Head, Department of ECE

COORDINATOR

Dr. Balakrishna K
Associate Professor, Department of ECE

TECHNICAL TEAM

Dr. Mahesh Kumar AS - Associate Professor
Prof. Ravikumar H - Assistant Professor
Prof. Lethan M N - Assistant Professor
Prof. N Rajesh - Assistant Professor
Prof. Sandesh N G - Assistant Professor
Prof. Maria pavithra - Assistant Professor
Prof. Shwetha K - Assistant Professor

Important Dates

Submission Opens	14th October 2026
Last Date for Submission	5th November 2026
Paper Acceptance Notification	8th November 2026
Conference Date	12th November 2026
